

WEEKLY BULLETIN

THINK CRITICALLY-ACT ETHICALLY-SERVE OTHERS

MAY 31ST, 2026

NO.37

GENERAL DIRECTOR - NASH ADAMSON

The 2026 AIS Graduation was a wonderful opportunity to celebrate the AIS Class of 2026. While our graduates are headed to seven nations around the world to study a wide variety of majors, we know they are united by their experiences at AIS and by the foundation they carry with them: thinking critically, acting ethically, and serving others. We cannot wait to catch up with them in the future and learn about all they have achieved.

SECONDARY SCHOOL - LAUREN STREIFER AND MICHELLE ACKER PEREZ

It was a busy and meaningful week at Secondary! Our volleyball team won their final match of the season and students and families gathered for our Awards Ceremony. Middle School participated in various field trips for their Great Day of Service, a wonderful reminder of the importance of giving back to our community. Grade 11 marked a special tradition with Threads of Honor and our 8th graders celebrated a well-earned milestone at their Moving Up Ceremony. Academic classes wrapped up with final presentations across the board — a great reflection of all the hard work this year. We're proud of everything our students accomplished this week and throughout the year. Wishing you all the best for a restful and wonderful June and July!

PRIMARY SCHOOL - NATALIA ZMACZYNSKA AND SADIE RHINESMITH

COMPLETING PRIMARY - AND ON TO MIDDLE SCHOOL!

These last couple weeks have been full of celebrations and excitement for so many groups. One group in particular though celebrated a great achievement - completing primary school! We are so proud of our 5th grade students (now middle schoolers!) and know they will reach great heights in their next chapter. Thank you to all those that supported them throughout the years and thank you to all the AIS community for a great school year! Have a wonderful summer vacation!

EARLY CHILDHOOD PROGRAM - LUIS CARRILLO

OUR KINDER EXPERTS

The students have achieved many accomplishments. We observed their journey as they became great writers and readers. They are now avid readers, reading anytime, anywhere. They have become experts in many subjects, the topics they excelled at most were dinosaurs and animals. Likewise, the students now have excellent addition and subtraction skills. Soon, we will say goodbye to our oldest ECP students; we are sure they will continue to shine as they have until now.

Volcan Pacaya 2026 - Kinder A

SERVICE LEARNING - MICHELLE ACKER PEREZ AND SADIE RHINESMITH

MIDDLE SCHOOL'S GREAT DAY OF SERVICE

This past Wednesday, our middle school students ventured into communities across San Lucas, the Antigua area, and our own campus to live out the pillar of serving others. By leading younger students, supporting product production, contributing to building projects and many more activities, they built awareness, deepened empathy, and explored their own identities, all while connecting with a wide range of people and organizations. Thank you for spreading the spirit of serving others!

ATHLETICS AND EXTRACURRICULAR ACTIVITIES - MARIA ELENA VALENCIA

BOYS' VOLLEYBALL: SHINING ON THE COURT

Our Boys' Volleyball team truly shone in the Sacatepéquez Boys' Student Volleyball League Championship, achieving a glorious second place out of nine participating teams. This runner-up finish is the direct result of their consistency in every practice and their outstanding performance on the court, where they proved that teamwork, strategy, and competitive drive are the keys to bringing pride to our institution.

KARATE: DISCIPLINE AND CONTINUOUS GROWTH

Meanwhile, our Karate discipline experienced a truly memorable and emotional day during their belt promotion exam. Each student delivered a flawless performance, reflecting not only their technical growth but also the consistency, respect, and personal triumph that characterize this martial art, marking a firm step forward in their comprehensive development.

SWIMMING: PASSION FOR THE WATER

We wish the greatest success to our outstanding student Luis Diego Castellanos! From June 1st to 5th, Luis Diego will represent us with great pride at the National School Level, competing in several swimming events in the Youth Category.
